

Exploring The European Tech Scene

EUROHACKTRIP

2014

Connecting Tech Startups
from Africa To Europe.

***Hub_**

TECHNOLOGY . INNOVATION . COMMUNITY

Introduction

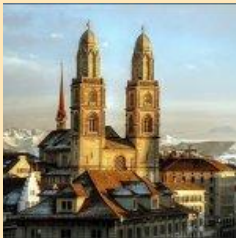

EuroHackTrip is an **growth hacking** expedition for technology startups in Africa. Fifteen young entrepreneurs from Africa will explore the European tech scene to pursue knowledge, networks, marketing opportunities, investment opportunities and strategic partnerships to grow their startups.

How we will do it

- We will visit other startups, innovation centers and big events in Europe to learn, exchange ideas, network and pursue opportunities for our startups.
- We will organise pitching sessions for entrepreneurs to get useful feedback.
- We will put together a reality film documentary to review the whole trip.

Places We Visit

November 2014

Zurich

5th - 9th November

Here we will visit **The Impact Hub** in Zurich to meet and exchange ideas with other startups doing social impact ventures for a few days.

Berlin

9th - 12th November

We will visit the **Co-Up** co-working space for hardware and software engineers. We will also visit **ThingsCon** where makers use electrical components and circuits to innovate.

Amsterdam

12th - 16th November

We will visit **Butterfly Works**, a co-creation studio that attracts creatives in learning and entrepreneurial branding projects aimed at combating poverty and increasing equality.

Helsinki

16th - 20th November

SLUSH - Tech startups from all over the world meet with top-tier international investors, executives and media. In 2013, Slush gathered 7000 attendees and 1200 companies from 68 countries and more than \$200 million has been invested since. <http://slush.org>
